Date of the trip	:	30 th June 2023
Places of visit	:	Mane Kancor Ingredients Private LTD, Angamaly South

Details of the industry/hospital/field visited	:	Mane Kancor Ingredients Private LTD
Name(s) of the accompanied staff	:	1. Ms. Vincy Varghese 2. Ms. Greeshma G Nair

Report on the industry/hospital/site, and how you have benefitted (Attach one or two group photos taken on the visited industry/hospital/site)	:	Mane Kancor Ingredients Private Limited is a pioneer in Global Spice Extraction. Mane Kancor specialises in complete natural food ingredient solutions from sustainable sourcing of raw materials, clean extracts, advanced research, and formulation. Our specialisations include a full range of Oleoresins, Essential oils, Floral extracts, Natural antioxidants, Natural Colours, Culinary ingredients, Delivery platforms, and Organic Ingredients.
--	---	---

During the visit, we had an interaction with the R&D team who briefed us about the new products in pipeline and the process they follow for the discovery and development of new ingredients and products.

We were able to see a lot of equipment's in Industrial scale which we had come to know in our curriculum. Overall it was a very great experience.

Would you recommend the : yes
industry/hospital/site for
further visits
